KEVIN RUDY MÁRMOL

SOFTWARE DEVELOPMENT TECHNICIAN

Hello, how are you? My name is Kevin Mármol, I am writing to you with the purpose of expressing my interest in the position advertised in your job offer. As a recent Software Development graduate, I am proud to offer my experience and skills in computer software development.

My strengths include:

1. **Solid experience in software development**: During my academic and/or professional career, I have acquired practical experience in developing applications using various programming languages and technologies, highlighting my deep knowledge of PHP and its frameworks.

2. **Knowledge in computer security and pentesting:** I have skills in vulnerability assessment, security audits and penetration testing, which has allowed me to ensure the integrity and confidentiality of computer systems.

3. **Commitment to professional growth:** I am committed to my continuous development and strive to stay up to date with the latest trends and advancements in the field of technology.

You can see some of my professional achievements in my online portfolio.

I am excited about the opportunity to contribute to the success of your company and am confident that my skills and experience will be of great value to your team. I remain available to discuss further details of how I can contribute to the role and am available for an interview at any convenient time.

I sincerely appreciate your consideration and look forward to the opportunity to discuss how my skills and experience can benefit the company.

Sincerely,

Kevin Rudy Marmol
